

Keep African swine fever out!

-  ASF is a devastating, infectious disease for pigs. Death toll can be as high as 100%. As of today, no vaccine or cure is available.
-  In case of an ASF incursion, a 200 billion NT dollar loss is expected.

We need your cooperation to protect the pig industry in Taiwan:

-  **NO bringing of meat products into Taiwan.**
-  **NO purchasing on the internet of meat products from abroad.**
-  **NO visiting of foreign animal farms.**

 **Violators who bring meat products to Taiwan will be fined up to 1,000,000 NT dollars!!**
